

# 13<sup>th</sup> IEEE Nanotechnology Materials and Devices Conference

October 14-17, 2018 | Portland, Oregon

## Exhibit and Sponsorship Facts Sheet

The 13<sup>th</sup> IEEE Nanotechnology Materials and Devices Conference (NMDC 2018) will be a 3-day meeting, dedicated to Nanoscale Materials and Devices. The conference is sponsored by the IEEE Nanotechnology Council (NTC).

NMDC aims to develop critical assessment of existing work and future directions in nanotechnology research including nanomaterials and fabrications, nanoelectronics, nanophotonics, devices, and integration. This conference will bring together key researchers from every sector in the nanotechnology research field, with a special focus on materials and devices.

- Nanomaterials & nanodevices
- Properties, Fabrication and applications of nanomaterials, nanosensors and nanomagnetism
- Special Applications

- Nanotechnology, Nanostructures and Nanosystems
- Modeling and simulation of nano-materials, nanostructures and nanodevices
- Emerging topics related to nanomaterials, nanodevices and nanostructures
- Education in nanotechnology

Recently, NMDC has had 150+ participants.
