

## NMDC 2021 Author/Attendee How to Register & Pay in EDAS

An EDAS account is required to register and pay securely online. Non-author attendees who do not have one, will need to create an EDAS account. The process is very similar to registering for any web site with user accounts and consists of five steps.

1. **Visit the IEEE-NMDC EDAS Home Page:**

IEEE-NMDC home page for EDAS is <https://edas.info/N27975>. When you visit the page, you will see the below login screen, if not already logged in.

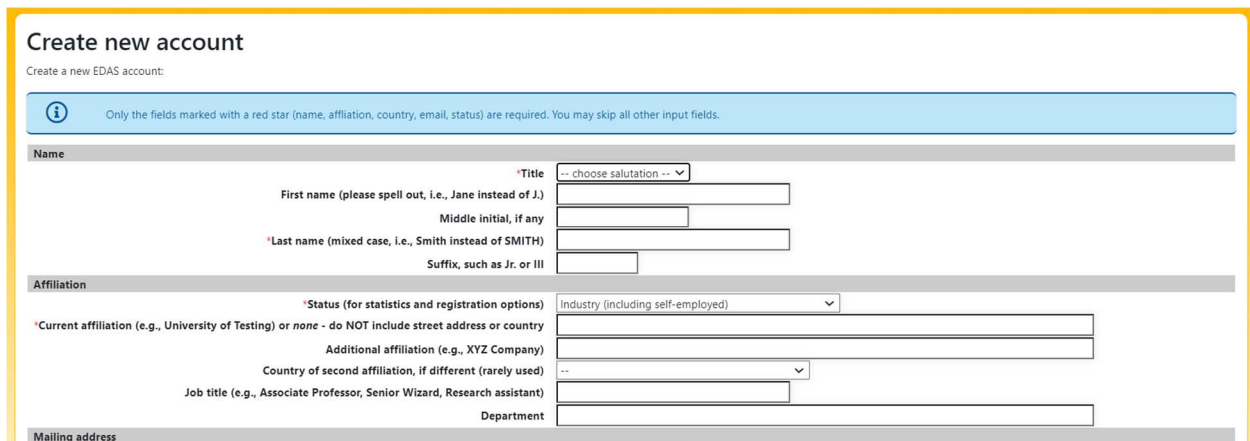

The screenshot shows the EDAS Login for NMDC 2021 interface. It features a login form with fields for 'Your email address' and 'Password', and a 'Log on' button. Below the form, there are links for 'reset your password' and 'create a new account'. A note states 'EDAS uses cookies to keep you logged in.' and a help link is provided at the bottom.

If you already have an account, just login in and proceed to Step 5.

2. **Create an EDAS Account:**

If you do not have an account, follow the “*create an account*” link, leading to the user profile page. You need to provide your title, name, email address, status, affiliation and country, and agree to EDAS privacy policy. The system will send you a password link by email.

The screenshot shows the 'Create new account' form. It includes a header with an information icon and a note: 'Only the fields marked with a red star (name, affiliation, country, email, status) are required. You may skip all other input fields.' The form is divided into sections: 'Name' (with fields for Title, First name, Middle initial, Last name, and Suffix), 'Affiliation' (with fields for Status, Current affiliation, Additional affiliation, Country of second affiliation, Job title, and Department), and 'Mailing address'.

3. **Get Password Link**

Usually, the password reset email with a link arrives within a minute or two. If not, check SPAM.

4. **Set Password and Login**

Follow the link and set your EDAS password.

5. **Register and Pay**

You can register immediately at <https://edas.info/r27975>, or you can log into your EDAS account and click on the **Register** button, find NMDC and click 'Register Self'.

Conference	Paper title (details)	Status	Edit	Add and delete authors	Withdraw	Registration	full paper
NMDC 2021		Abstract accepted					until Aug 1, 2021 01:59 America/Vancouver

From a list of 'Available registrations', add an appropriate attendee category to the cart (note Authors, including students, must select a Full registration):

Available registrations

Event:Option	Description	Available for	Amount	Cancellation fee	Covers how many papers?	Covers extra pages?	Register
Full:1-Day	Full Registration	students, academic staff, industry employees, staff of non-governmental organizations (NGOs), government employees and all other persons	\$360.00	\$50.00	2	0	
Full:1-Day (IEEE)	Full Registration	students, academic staff, industry employees, staff of non-governmental organizations (NGOs), government employees and all other persons	\$300.00	\$50.00	2	0	
Full:IEEE Life	Full Registration	academic staff, industry employees, staff of non-governmental organizations (NGOs), government employees and all other persons	\$400.00	\$50.00	2	0	
Full:IEEE Member	Full Registration	academic staff, industry employees, staff of non-governmental organizations (NGOs), government employees and all other persons	\$600.00	\$50.00	2	0	
Full:Non-Member	Full Registration	academic staff, industry employees, staff of non-governmental organizations (NGOs), government employees and all other persons	\$720.00	\$50.00	2	0	

In 'Registered, but not paid' table at the bottom of the page, pay using Credit Card (first button below) or by bank transfer (second button). The third button opens a registration invoice.

Registered, but not paid
